

# Samlesbury C of E School Recommended Reading List for Year 2

Available in the Infant Class library

Titles on the year group reading challenge

This list (which includes 123 books as well as over 100 different published authors) is intended to be a guide to books suitable for children in Year 2. The List, covering a range of genres, is drawn from a number of sources including teachers own recommendations; the National Literacy Strategy's recommended texts; reading lists which have been suggested by other schools and the National Literacy Trust's website. Some of the texts are more difficult to read than others and care should be taken when choosing those which your child might enjoy. Please discuss the books your child reads with him/her and remember that, even in Year 2, although a book might be difficult for your child to read, he/she will probably still enjoy having it read to them by an adult. Have fun reading and please enjoy!
