## Upper KS2 Key Geography Vocabulary List

<b>A</b>	grid reference	<b>Q</b>
Antarctic	ground water	questionnaire
Arctic	<b>I</b>	<b>R</b>
arid	immigrant	river
<b>B</b>	import	renewable
biomes	indigenous	rural
<b>C</b>	industrial	<b>S</b>
canopy [trees]	industry	scale
climate	irrigation	sea level
climate zones	<b>L</b>	settlement
condensation	landscape	Southern hemisphere
confluence	land use	source
congestion	latitude	symbols
conservation	location	subterranean
continent	longitude	sub-continent
contours	<b>M</b>	survey
contour lines	magma	surface
<b>D</b>	meander	sustainability
deforestation	migrate	<b>T</b>
delta	minutes[location]	tectonic plates
development	mouth	terrain
deposition	<b>N</b>	Time zone
disperse	natural	transportation
distance	natural disaster	tributary
<b>E</b>	naturalised	tourist
Equator	natural resources	tropical
equatorial	Northern hemisphere	Tropic of Cancer
excursion	<b>O</b>	Tropic of Capricorn
export	Ordnance Survey	<b>U</b>
evaporation	ox-bow lake	urban
<b>F</b>	<b>P</b>	<b>V</b>
features	pollution	vegetation belts
flood plain	population	<b>W</b>
<b>G</b>	precipitation	water cycle
Greenwich/Prime Meridian	products
